MILITARY BANNERS PROJECT OF MARION COUNTY OHIO

Over 700 military banners now adorn the streets of the City of Marion, the county seat of Marion County, Ohio. The banners honor Veterans and currently-serving military members from all around county.

Reporting banners needing repair or missing:

If you notice a missing banner or one that needs repair, please send an us an email to let us know the location or name on the banner. See email address below

If you see a banner lying on the ground, **please pick it up** & send us an email. We will arrange a place for you to turn it in or for us to pick it up. (We do not have a permanent office.)

Applications & Purchases of New Banners:

In September 2026, after 5 years of volunteers administering this project, we have brought the project to an end for offering any new banner applications & purchases. We will continue to maintain & repair the existing banners until they wear out, but we will not be offering any future sales.
