
Wilmington Military Banner Program

Wilmington has always taken pride in the military members who have protected and served our great nation. The Military Banner Program will salute our brave men and women by displaying a 30" x 48" banner throughout the City of Wilmington between Memorial Day and Veteran's Day.

The cost to join the Military Banner Program for 2022 is \$250.00.

Your participation includes: One (1) double-sided 30" x 48" Military Banner, a bracket required for public display, installation of bracket and maintenance for 5 years. Web presence on the Military Banner Program is www.troopbanners.com/Wilmington. Participates are also eligible to purchase lawn banners (12" x 18") for an additional \$20.00 each.

The City of Wilmington, H.O.M.E. and the Clinton County Foundation are not responsible for the banners. The family members will have to replace their banner if it becomes damaged or destroyed by natural or unnatural events. You will be notified if the banner becomes unsuitable for public display. Placement of your banner will not be guaranteed on any particular street, though we will happily display your family members together.
